Canadian Education System

- Designed to allow students to begin their studies at a college and then complete their degrees through a university
- Selkirk College's 1-2 year diploma program and University Arts and Science courses are designed to be transferable to universities across Canada and around the world
- The College advantage means Selkirk College students can enjoy smaller class sizes and lower tuition rates while working towards a university degree

ENGLISH LANGUAGE CERTIFICATES

Awarded on completion of Fundamental, Intermediate, Advanced or University-College Prep.Certificates: Students can also be awarded Participation Certificates for Short-term studies or partial levels.

CERTIFICATES

Awarded for completion of programs generally one year in length and which may also be the first year of a diploma program.

ADVANCED DIPLOMAS

Are generally one semester or shorter in length and require that the student have 2 or more years of post-secondary education prior to starting this program. Diplomas: are awarded to students after completing 60 credits of study in a specific field. This is generally 2 years of study.

ASSOCIATE DEGREES

Are formal credentials awarded to students after completion of 20 courses (60 credits) in University Arts & Sciences program.

BACHELOR DEGREES

Are formal credentials awarded to students who complete a minimum of 120 credits in a specific field of study.
